

School Spirit

*Blessed is the man who does not walk in the counsel of the ungodly... That person will be like a tree planted by streams of water and will bear fruit in season... **Psalm 1: 1-3***

*They will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit. **Jer. 17:8***

Inspired by the psalmist, Woodcreek School is a place of learning founded on God's Word. Here, every student is nurtured to grow, excel and bear fruit for the benefit of Kenya and the world.

We believe that every student who joins Woodcreek School has the potential to be great in future; the same way an acorn fruit grows into a giant Oak tree.

The Oak tree has deeply anchored roots. We are committed to helping every student to establish their own strong Biblically-based foundation, and to grow academically while exploring and developing their gifts.

It is our prayer that each of our students will acquire a desire for life long learning and will become positive transformers in their families, communities, and the world.

May they stand tall and dream big as they become Mighty Oaks!
